- As the application process may take up to 8 weeks at the Immigration Department of the HKSAR Government (the Immigration Department) from the date when all information required by the Immigration Department is available, please submit your application on or before the submission deadline as stipulated above to facilitate your admission process.

If your student visa application with The Chinese University of Hong Kong (CUHK) is not received by the stipulated deadline, you are considered as not intending to study at CUHK in September 2024, having declined your admission offer, and having withdrawn your application to CUHK for 2024 Entry.
- According to the Immigration Department, successful applicants entering the HKSAR as a student shall be subject to conditions of stay. **You must read it** before you complete and submit the application. For details, please refer to "Guidebook for Entry for Study in Hong Kong" at <https://www.immd.gov.hk/eng/forms/hk-visas/study.html>.
- Upon receipt and review of all the required documents, your visa application will be delivered to the Immigration Department for review.
- Eligible applicant will receive email notification if the student visa application is approved by the Immigration Department.
- **Please make sure the validity of your travel document is sufficient to cover the normative study period of your admitted programme.** The limit of stay granted by the Immigration Department would also be subject to the validity of your travel document. You are reminded to check the conditions and limit of stay printed on your landing slip upon arrival.
- Application fee for the Student Visa payable to the Immigration Department is **HK\$230 (subject to confirmation)**. The visa application fee will be fully borne by the applicant, irrespective of your final student status at CUHK. Visa collection and payment arrangement will be notified in due course.
